

Newsletter 2024 – 2025

Since the PTA started in October 2024, we've raised an incredible **£1543.17** (with only 30 families!)

A huge thank you to everyone who's kindly donated and joined our events to get the PTA going. We can't wait to welcome more of you onboard 😊

Good luck to all the

in September. You've all been superstars this first year. 😍

This year we've...

To honour our trailblazing [redacted] kids, the PTA have planted a cherry blossom tree in the primary grounds. Congratulations to [redacted] who won the summer raffle to name the tree.

"Willy Wonka"

A plaque will be up in September to commemorate the first primary class in the school's history, along with its amazing new name!

The fluffy ducklings our kids received on their first day have been on hand for squeezes to ease any nerves or worries. As a welcoming gesture to our incoming primary pals, the PTA have funded the acquisition of new cuddly ducklings and bunnies to help our new little ones get settled.

Important Dates

[redacted] Families Mixer
25th September

Bonfire Night
5th November

Christmas Fair
18th December

Ice lollies are on sale every Wednesday at pickup
(As long as the sun cooperates!)

We've also...

We kicked off our PTA events with a bang by holding a crackling Bonfire Night. The fire roared. Marshmallows were toasted. BBQ food was devoured. Children were knackered. 😊

The PTA put together their own magical Christmas Market display. There were games, prizes, gifts, activities and so, so much tinsel. But most importantly, a very special visit from the big man himself in Santa's Grotto.

At Easter, the PTA collaborated with the Easter Bunny and put on a little egg hunt at the school. The kids puzzled, scrambled and sleuthed their way to 100 little eggs. Proudly winning themselves a chocolatey prize.

In July, the PTA sent the founding [redacted] off with a little end of year Summer Disco. The kids did a little dancing, a little chatting and a lot of running. There were no balloon survivors.
