

Happy Easter!

We hope your little ones enjoyed their first school Easter Egg Hunt, organised by the

We wanted to share with you what the PTA has planned for the next few months!

Founding Children's Cherry Blossom Tree

To honour our trailblazing [redacted] the PTA have bought a cherry blossom tree to be planted in the primary grounds. The tree will grow and flower alongside our children through their years at [redacted]. A plaque will be arranged to commemorate the first (and the best) primary class in the school's history, along with a naming competition to take place at the summer fayre.

The Next Generation

The fluffy ducklings our kids received on their first day have been on hand for squeezes to ease any nerves or worries. As a welcoming gesture to our incoming primary pals, the PTA will be funding the acquisition of new cuddly ducklings and bunnies. This will act as a sweet gesture for the kids, but also an introduction to the PTA for any new parents who may wish to get involved in the future.

Next Event - [redacted] Summer Fayre

The PTA will be joining in the fun & games at this year's [redacted] summer fayre.

Details for the fayre are still not finalised. All we know is its happening and we'll be there!

If you have any suggestions for what you would like to see the PTA do at the fayre this year, please do let us know!

[redacted] PTA is now on Superkind.

Superkind is a charity platform created to help PTAs fundraise without added costs to us or our donors. Our future fundraising will be done through this platform.
