

ONCE UPON A MEAL TIME.....

There once was a hungry child.
Who enjoyed seeing animals wild.
They asked their mum for no meat.
Mum's heart skipped a beat.
But opened her mind and smiled.

She found Klorn's nuggets, dinos and wings.
A gold mine of healthy, delicious things.
The child was fed.
And went happily to bed.
Dreaming of what the next dinnertime
brings

IT'S NEVER BEEN EASIER TO WHIP UP A PLANT-BASED FAMILY MEAL,
